Exchange BA Communication Stud
Academic year 2016-2017

Incoming Bachelor students in Communication Studies can make a choice among the following courses.

Important notes:

• Non-listed courses in Dutch may only be chosen when you can prove your proficiency in Dutch and show that you meet the academic prerequisites. You also need to have the approval by the professor concerned.
• Make sure you select courses that are offered during your stay. Term 1 indicates the fall semester. Term 2 corresponds with the spring semester.
• Check the timetables on the faculty website to avoid overlap of your courses.

Make sure to regularly check these timetables as they might be liable to small changes to cope with unexpected circumstances.
