Welcome to Osnabrück University!

Founded in 1974, Osnabrück University offers its 14,000 students an ideally sized education experience through numerous accredited undergraduate and graduate degree programs in the Humanities, Social Sciences, Natural Sciences, Business and Law. The university is committed to offering its students small course groups and lively interactions between professors and students – our International Summer Schools, for instance, seldom feature more than 20 students in class. Award-winning student services, a broad sports program, and an international atmosphere further enhance the academic experience at Osnabrück University.

Each July, Osnabrück University hosts students and professionals for its International Summer Schools. With a mixture of well-established programs and innovative courses, they represent a unique opportunity to experience student life at a renowned German university. As a participant, you will get to enjoy challenging academic classes, an exciting cultural program, introductory German language lessons as well as an innovative buddy program.
